The Leading Milliner and
Dealer in

Ladies' Furnishing Goods and Notions,

HAS REMOVED TO

106 EAST OKLAHOMA AVENUE,

ROOM FORMERLY OCCUPIED BY W. L. RHODES FURN. CO.

OKLAHOMA SANITARIUM

Was Visited Yesterday by the Fifth Legis-
lative Assembly.Yesterday was a great day for Nor-
man. At this place is located the
home for the insane, and the fifth
legislative assembly and their ladies
were driven to the institution by the
citizens of Norman and taken through
by the owner, Dr. Threadgill, and his
numerous assistants. The building is
located one mile east of the city and
the grounds surrounding make it an
inviting place, and every department
in the interior is kept in apple pie or-
der. The neatness and cleanliness of
every room and every inmate was very
noticeable. The men's department
was visited first. The second floor is
for the mild ones, the third floor the
wild ones, but you could hardly dis-
tinguish the difference, and the at-
tendants have them under complete
control, and in this way many a
sore head is kept in health and returned
to their homes. There are about 250
inmates and the number varies every
week, as many are discharged and
new applicants taken.Dr. Threadgill is the owner and he
takes great pride in his institution.
He employs experienced attendants
and the best of help. The doctor is a
very clever man and does not leave
any stone unturned for the comfort of
his demented patients. The man-
agement of this institution by private
patrons makes it more pleasant for the
patients than if under the manage-
ment of the territory, as there is no
wriggle and long waits for necessities
to be purchased by the consent of a
board of trustees.The members of the Fifth assembly
were very much surprised after visit-
ing this institution, as they did not
expect to see such an inviting place.
They were loud in their praises of the
manner in which the institution was
conducted, and they remarked that
much credit is due to Dr. John Thread-
gill.There is no pain or discomfort when
T. B. L. Buckeye Plaster Ointment is
used. It relieves that itching in-
creased by scratching. It is prepared
with scientific accuracy and profes-
sional knowledge, and it is the kind
that cures itching, bleeding, itching
and peeling skin, with no pain or loss
of time. F. B. Little & Co.

Killed in Perry.

Albert Hellsfrich fell forty feet
from a building on which he was
working and was instantly killed in
Perry yesterday. The young man and
his father were working on the build-
ing when the accident occurred.

LEADER PRINTING COMPANY,

GUTHRIE, OKLAHOMA.

A WEEK OF ENTERTAINMENT.

THIS is considered usually the dullest season of the year, and to the average merchant it is. Ordinarily trade is dull, goods more slow, sales are small, taxes are due, eastern creditors look for a settlement of their accounts, and to the average merchant it is a season of discontent. But we are in a position to entertain you. We have no HARD LUCK STORY to tell you. We are not afflicted with the A. I. M. S. of the AVERAGE MERCHANT. Of course we have to PAY TAXES, but THEY ARE PAID. Of course we have to EAT but that is a PLEASURE. Of course we have to sell goods at small margins but we are used to that, as that is the ONE SECRET of our great success here in Guthrie. We buy our goods at such a price that we can AFFORD to SELL CHEAP. Who ever before in the history of this territory ever heard of a Fine ALL WOOL KERSEY MEN'S SIZE OVERCOAT being sold at \$5.50? There is not another merchant in town that did not PAY MORE FOR IT. We have no kick coming. We have been well treated here. We have made many friends. We have sold a VAST QUANTITY of goods. And we are pleased that we cast our lot among you. SOME DO NOT LIKE US. But you sift the thing right down, and THEY ARE ENVOIOUS. We don't see what way towards any of OUR COMPETITORS. We wish they could ALL DO WELL. We wish cot on was worth 7 or 8 cents any way. Wheat at \$1.00 would suit us. Then that all wool suit we are now offering, (and say, it's a marker, too) at \$4.50 would easily bring us \$6.50 and you would feel fully able and willing to pay it. But we are digressing. We started out to entertain you and we nearly forgot our subject. When we write an ad we imagine we are talking confidentially to you. Anybody can fill a space in a newspaper and call things by high sounding names and quote prices, but when it comes to showing the goods advertised "Oh! what a disappointment." Now we want to be reasonable with you. We have quite a number of overcoats on hand and we want to exchange them for a little of your money, and you bet we are not going to stand on price. Just come in and see us, is all we ask. And say, right here, we this week received of a manufacturer twelve cases of shoes that we can offer you at a price that will make your heart glad. Five Glove Kid and Dong La Goodyear welts, Ladies Shoes, sold the country over at \$3.00 to \$4.00. We have them so we can sell them to you at \$1.25 per pair. We have something for the men, too. Elegant dressy shapes, all stock upper in Cordovan, French Calf and Kangaroo, worth every cent of \$8.00 and \$3.50 for \$1.58. We also have left on hand a few pairs of heavy all wool 10-4 Blankets, sold early in the season for \$4.50 per pair, that we will now close out at \$2.75 per pair. And a heavy fancy pattern, heavy fleeced 10-4 Blanket we sold at \$1.50 goes now at 75 cents per pair. One lot Ladies Jackets sold earlier for \$3.00 to \$4.00. You can buy them now for 75 cents each. Come and look through. These are only a few prices out of a great many that we can entertain you with.
